Midnight Rose - small beginnings

Work has started on our new full size 2012 elephant statue by Jane Callan. A 'work in progress' shot here of early ideas, represented on a 20cm Elephant Parade replica. As part of our community investment programme, we are supporting a number of important projects. Through our work with Elephant Parade, a donation will be made to the Asian Elephant Foundation.

Fresh thinking in a changed world

[elephant communications](#) is a new name in corporate and consumer PR offering fresh thinking for a changed world: Insight-driven, strategically geared and creatively thought-through, we offer clients heavyweight thinking with a big footprint. Named 'New PR Agency of The Year' (PR Moment awards, London 2014)
